

**HANMIX**

**FOR A BETTER LIFE**

HANMIX is not only a brand name, but a way

# FOR A BETTER LIFE

You can find ultimate safety and high quality living  
in the HANMIX World.

# WHY HANMIX

## 40 YEARS OF EXPERTISE

Our management brings four decades of experience in the tire and accessories industry, ensuring reliable and knowledgeable support.

## COMPREHENSIVE PRODUCT RANGE

We supply a full line of tires – from bicycles to trucks, OTR, agricultural, industrial, and solid tires – along with essential accessories.

## QUALITY BUILT ON TRUST

We deliver reliable, robust, and durable products, Certificate by DOT, ECE, ISO, GCC, SASO, etc. We strictly control our quality from raw material sourcing to finished product inspection.

## DEDICATED SERVICE & SUPPORT

We partner with our clients, offering tailored marketing support, strong after-sales service, and customized solutions to help you succeed in your market.

# RR-214 (E4)

Rigid  
Dumpers

★ High self-cleaning performance.

★ Extra sidewall protection and tear resistant compound provide anti-punching performance.

# (E4) RR-215

★ Deep tread and large pattern provide better grip and stability.

★ The tread rubber with low heat generation design effectively increases TKPH/TMPH.

★ Unique tread compound lead to lower wear rate and safer in driving.

**Rigid Dumpers**

★ With excellent traction and self cleaning performance.

★ Special pattern design, with elegant formal expressions.

★ Outstanding stability and operating comfort, with large pattern plate and long service life.

# RR-116 (L5S)

Underground  
Shuttle Trucks

Loader

★ Smooth, extra deep tread pattern is specially designed for loaders, scrapers and other engineering machines which work underground mine alley, tunnels or other harsh conditions.

★ Special cut resistant tread compound and formula and smooth, extra thick tread offers good performance, wear resistance and puncture resistance against ores and coal.

## RR-712 (IND)

★ Mainly for drive wheels.

- ★ Applicable for driving on bad road conditions, especially for mining road.
- ★ Widen and deeper pattern design with excellent grip, traction and ride ability performance.
- ★ The pattern is with good performance in cutting resistance, anti-puncture and anti-cracking.

SIZE	PR	TYPE	STD RIM	TREAD DEPTH (MM)	LOAD INDEX	LOAD&PRESSURE (KG/KPA)		DIMENSION (MM)	
						SINGLE	DUAL	SW	OD

Check inflation pressure regularly

Avoid contact with grease, oil and other chemicals

Inspect tyres for damage and irregularities

Observe tyre and vehicle load limits

Read safety and maintenance recommendations

Use only authorised repair
